St. Michael's

81 St. Mary St., Toronto, Ont. M5S 1J4 University of St. Michael's College Newsletter/Vol. 18/no. 2/Summer 1980

EDMUND J. McCORKELL 1891-1980

Ashley & Crippen

It is impossible to think of the modern St. Michael's and not to notice the towering presence of Father McCorkell. He was in the first class that St. Michael's presented for University of Toronto degrees in 1911. He became professor of English, Registrar, President for twelve years and, subsequently, President of the Pontifical Institute of Mediaeval Studies which was established while he was President of St. Michael's. No one ever had as long an association with St. Michael's; no one has left as great a legacy.

Worthwhile institutions are always built on the dedication and effort of individuals. Sometimes an individual emerges who, by his qualities as an energetic leader, draws others to share a dream and to spend himself in making it come true. Such an individual leaves his mark on the institution, forms its character and vitalizes its work. Even when he retires, he lives on. When such individuals die, they remain a part of the living tradition. Father Edmund McCorkell was such a man in the history of St. Michael's. He died early in the morning of March 9th and was buried on March 11th.

The University of Toronto always considered him one of her outstanding academic statesmen during the Mulock and Falconer years. He carried on the tradition of Father Henry Carr; he was a close associate of Gilson, Windle, Maritain, Phelan, Bellisle. He was respected and loved by his colleagues, students, fellow priests and a host of other friends. He was the scholarly churchman and the irrefutable justification of the priest's life spent in Academe. In St. Michael's there was never a gap between Father McCorkell and successive generations of staff and students — always interested in St. Michael's old and young. Just a few days before his death, a contingent of students from McCorkell House visited him in his room at the top of Brennan Hall. The youngest of St. Michael's saluting the eldest. Perhaps nothing better symbolizes what Father McCorkell stood for. He had an ageless spirit and arms and heart to embrace all who belong to St. Michael's.

For nearly three quarters of a century, Father McCorkell, in a variety of ways, gave strength and purpose to St. Michael's. We may never see his like again. *Requiescat in pace.*

JMK

KELLY THEOLOGICAL LECTURE JANUARY 26, 1981

Bishop Remi DeRoo has been invited to present the Second Kelly Theological Lecture. Born of Flemish parents (1924) in southern Manitoba, Bishop DeRoo was educated at St. Boniface College and Seminary in Manitoba and received his Doctorate in Sacred Theology from the Angelicum in Rome.

Since 1963, Remi DeRoo has served as Bishop of the Diocese of Victoria, British Columbia. Considered to be an innovator in the Canadian Catholic Church, Bishop DeRoo was the leader of the Social Issues Affairs Committee of the Canadian Catholic Church, 1977-78.

As George Cardinal Flahiff, C.S.B. stated at the Bishop's Synod in Rome in 1971, "the Church cannot be content to think of the world theoretically; it must transform it."

Bishop DeRoo has been one of the major architects of the Canadian Bishops' powerful Labour Day statements which insist on this transformation of society.

The Bishops remind us that "this struggle is not an optional activity for Christians." Words to Action, 1976. Bishop DeRoo is an example of such activity.

Having recently visited Latin America, Bishop DeRoo will give the second Kelly Theological Lecture on a topic related to the role of the Canadian Church for the realization of social justice in the western hemisphere.

Bishop Remi De Roo

James Jerome Honoured by the University of Toronto

Peter Lundarek

The Honourable James A. Jerome

James Jerome graduated from St. Michael's in 1954. He was admitted to the bar in Ontario in 1958. Born in Kingston, he grew up in Toronto but moved to Sudbury to practice law. It did not take him long to add a political dimension to his career. In 1960, he became the President of the Sudbury Young Liberal Association, a member of the Sudbury City Council in 1965 and an elected member of Parliament in 1968. He was re-elected in 1972, 1974, 1979. In 1970 he became Parliamentary Secretary to the President of the Privy Council, in 1972 was a member of the Canadian delegation to NATO. In 1972-74, he was the chairman of the Standing Committee on Justice and Legal Affairs. In 1972, he was elected Speaker of the House of Commons. In this role he became known to all Canadians since the Proceedings of the House were televised. The televised Proceedings became known as the Jim Jerome Show. He was a consummate Speaker and even when a change of Government occurred in 1979, he became the first Speaker in the history of Canada to be elected after such a change. He was everyone's choice and there are not lacking those who state that he graced the Speaker's Chair with a style and a verve unknown before. During his tenure the post acquired an enhanced dimension and importance in handling national affairs. He did not stand for office in the last election. In February 1980, he was appointed Associate Chief Justice of the Federal Court of Canada.

It was especially gratifying to St. Michael's that the University of Toronto chose the St. Michael's Convocation on June 20 as the occasion to confer on him the degree of Doctor of Laws *(honoris causa)*. Warmest felicitations to a distinguished alumnus. JMK

Dunphy to Become Principal in 1981

The Collegium of the University of St. Michael's College has announced the appointment of Professor William B. Dunphy as Principal of St. Michael's College for a period of five years. His term of office will run from July 1, 1981 – June 30, 1986. Professor Dunphy will succeed Dr. Lawrence E. Lynch who became the College's first Principal in 1976. William Dunphy, a 1948 St. Michael's graduate, has been a member of the College philosophy staff since 1964. During the intervening years, he has held many positions of responsibility in college, university and inter-university affairs. He was a member of the University of Toronto Governing Council's Committee on Academic Affairs, 1972-77, and its chairman, 1975-77; a University of Toronto representative on the Council of Ontario Universities, 1973-77; and a member of the Board of Governors, O.I.S.E., 1976-79. Professor Dunphy has combined administrative tasks with scholarly activities, and has published on topics in his own academic field as well as on matters of general interest. As Principal-designate, Professor Dunphy will work closely with Principal Lynch during the academic year 1980-81 prior to assuming office in 1981.

Robert Lonsdale

Principal-designate: William B. Dunphy

Rufort Masales

1897~1980

It is often remarked that St. Teresa of Avila brought as many people to Christ from her Carmelite Cloister as St. Francis Xavier did by his tireless but more visible missionary activity. A parallel to St. Teresa could easily be established in the life of Rufort Masales. He spent forty years of his life in complete and unselfish service to St. Michael's and he did it while jealously preserving his invisibility. Woe to the person who broke through the shield of invisibility. Rufort wanted to go unnoticed; he eschewed recognition. Telling the truth had to wait until he died.

The truth is that Rufort Masales, for forty years, was an indispensable compass for St. Michael's in sailing the fiscal seas. He had been a brilliant student and he was a brilliant accountant. The 1980 version of monetary restraint and frugality is but a pale reflection of the type that was current in St. Michael's in the late twenties, throughout World War II and even into the fifties. In those years, the High School and College shared the same premises. Rufort laboured for both. He worked alone, long hours, and for a self-imposed pittance.

His great love was music and it is likely that, for sixty years, he did not miss a worthwhile musical event in Toronto. There are hundreds of St. Michael's staff and students who owe their appreciation of music to him.

Rufort retired twenty years ago. He remained on campus since St. Michael's was his home. Typically, he never thought of himself; his generosity to others remained endless. He lived in retirement as he had lived earlier. He did not seem to believe in taking care of his health. He survived many a heart attack, all but the last one outside of hospital. The great secret of Rufort Masales' life, known only to a few, was his Christian dedication. He was well-versed in Scripture and theology. He was always ready to die. St. Michael's has lost a dedicated member of staff. We hope to remember him by an Annual Award which will bear his name. JMK

President's Corner

Peter Lundarek

Alumni Executive, 1980-82: Kathleen O'Hagan, Carol Hodson, Douglas Allen and Patricia McGee (Past President).

Dear Friends:

During this past Spring, elections held within the Alumni Board of Directors gave rise to your new executive for 1980-82: Kathleen O'Hagan, '74 (Financial Officer); Douglas Allen, '45 (Vice-President); and myself, Carol Hodson, '69 (President).

Throughout the course of our term of office we hope to continue projects such as the Kelly Lecture Series, Varsity Fund, Reunions and Homecomings initiated by Patricia McGee's Executive and their predecessors. We also hope to encourage increased participation by all Alumni in three specific areas.

1) We need new board members, especially among those Alumni graduated before 1950. If you think you can attend a monthly meeting and help out on a committee, please send in your name and number to the Alumni Office – we'll call you!

2) We are looking for new ways for the College to serve its Alumni constituency – any suggestions or offers of help will be gratefully received.

3) The worst problem faced by the Alumni Office is that of lost addresses. When you move, please send in a change of address card; if you know of grads who do not receive SMC mailings, send in their addresses. Let it be your good deed for the day!

In the future, I will attempt to keep you informed on College happenings and our involvement across campus. If anyone has any queries, please direct them to me in care of the Alumni Office and I will do my best to satisfy your request.

Sincerely,

Carol Hodson, '69
President of the St. Michael's
Alumni Association

Varsity Fund '80

$230,000 ÷ 2,000 = ?
$230,000 = the Varsity Fund goal for SMC!
2,000 = Varsity Fund donors in 1979.
? = Can we reach our goal in 1980?

A small but significant number of graduates (2,000 out of 11,000) helped the College financially last year. If you are not one of these givers, I urge you to join our ranks in 1980. Your donation can help in many essential ways:

1) to purchase new books for the library; $82,500 will be used for this purpose.

2) to support the entire Alumni effort in S.M.C. – Office, Newsletter, mail, reunions, etc., $32,500.

3) to make possible some otherwise impossible academic initiatives – $5,000.

4) to increase the renovation fund for 121 St. Joseph Street which is scheduled to be used for additional classrooms and offices – $110,000.

Recently, the Alumni Board initiated a system of committees to be responsible for the many facets of the Board's business. The Varsity Fund Committee is looking at Alumni giving in general and is trying to formulate a fund-raising policy for St. Michael's for the 1980's. The Committee is evaluating the methods currently used for fund raising, mainly letter and telethon. The priorities for the Alumni to support – where the money is used – are under consideration. Also being considered are ways of involving more Alumni in the life of the College, whether contributing their expertise on the College Council, Collegium or Alumni Board, or enrolling in courses at the College or attending lectures and conferences here.

The 1981 goal for Alumni giving is $230,000 also. A large portion is to be used in the operation of 121 St. Joseph Street. Five years ago, the Alumni made a commitment to assist the College in rehabilitating this building. Now we need your continued and increasing support in order to maintain it. The ranks of 2,000 SMC donors can grow with *each* gift. And no gift is too small to be used and appreciated by the entire College community.

Patricia Hayward

Delayed Receipts?

For those who might wonder about the delay in receiving a receipt for donations to the Varsity Fund, there is an explanation. The Varsity Fund Office has only limited computer time at the end of each month. Receipts for donations made in a given month do not arrive back at the College until the end of the first week of the next month. Father Kelly's acknowledgement with the enclosed receipt is then prepared. In short, it might take 6-8 weeks for the desired receipt to arrive in your mail box. We regret such unavoidable delay.

THE EDMUND J. McCORKELL AWARD

D.A. Brian O'Riordan

COLLEGE GOLD MEDALS

Dana M. Boyko (Political Economy)
William Roy Dullege (Computer Science)
Robert J. Falconi (General Science)
Michael W. Fitzgerald (The Sir Bertram Windle Gold Medal in English)
Thomas J. Flynn (General Arts)
Patricia B. Garrigan (Religious Studies)
Michael C.D. Keeshan (General Arts)
Martha Mary Lynch (French)
Peter Sauret (General Science)
Innocenta Trifone (French and Italian)
Anita Zarkel (General Proficiency)

The Edmund J. McCorkell Award

The College Awards Committee, at its annual Spring meeting, decided to honour in a special manner the memory of Father Edmund J. McCorkell who died earlier this year. It has done so by creating a prestigious memorial to be known as the Edmund J. McCorkell Award. It is intended for a student of distinction who from time to time appears in the ranks of graduates. It need not, therefore, be awarded annually. Even the criteria have been left general enough to honour someone who fits the McCorkell mould.

This year's award winner is remarkably suited for the honour. Father McCorkell was a professor of English at St. Michael's for many years and distinguished himself as a student and teacher of literature. Brian O'Riordan has himself been notable in the study of English literature. Father McCorkell has always been considered a true University man: the ideal St. Michael's graduate is, at the same time, the ideal University of Toronto graduate. Father McCorkell was as much at home in university deliberations as he was in St. Michael's discussions. Brian O'Riordan has maintained a very high profile at the University of Toronto in virtue of his involvement with the Students' Administrative Council and his membership on the Governing Council and at St. Michael's College in College Council and the Brennan Hall Board. Our congratulations to Brian O'Riordan, winner of the newly established Edmund J. McCorkell Award.

HBG

Brian O'Riordan, 8T0, 1st McCorkell Award Winner

THE UNIVERSITY OF ST. MICHAEL'S COLLEGE PRESIDENT'S REPORT FOR 1978-1980

PRESIDENT'S MESSAGE

St. Michael's, like other universities, faces escalating costs and shrinking revenues, resulting from inflation and government cut-backs. In this difficult situation we are most grateful to our alumni and friends who are contributing to our support through various channels, such as the Varsity Fund, the Update Campaign, the St. Michael's College Foundation, the Mediaeval Studies Foundation, and the restricted and general endowment funds of the University of St. Michael's College.

Our undergraduate division – St. Michael's College, one of the federated colleges within the University of Toronto's Faculty of Arts and Science – faces additional problems. Due to dramatic demographic changes in the population of Metro Toronto, and in particular to the growing number of Catholic high schools here and elsewhere, the College receives far more applications from grade 13 graduates eligible for admission to the St. George Campus than it has done in the past. Many of these must be denied admission to St. Michael's, even though they can be and are admitted elsewhere on the same Campus. This procedure is difficult to explain to parents, many of whom are among our ardent supporters. Hence we appreciate the action of the Admissions Committee in raising our quota of freshmen admitted to Arts and Science on the St. George Campus from 20% to 22% in the fall of 1980, which will alleviate the problem to some extent.

A further problem is the College's student-staff ratio. Always high (for economic reasons), it is now becoming higher on account of the freeze on hiring in effect throughout the Faculty: Professors who retire, resign or die cannot be replaced and no additional staff can be secured (except by private funding). It is our fervent hope that the review of the Memorandum of Understanding will address itself to this problem. Some solution must be found, if St. Michael's College is to continue to be an academic community in any meaningful sense of that term.

Turning now to our graduate divisions, we congratulate the Faculty of Theology upon the successful outcome of the negotiations leading to the federation of the Toronto School of Theology (of which we are a member) and the University of Toronto. This will yield significant academic and financial benefits. Further, we rejoice with the Pontifical Institute of Mediaeval Studies on the occasion of the 50th anniversary of its foundation in 1929. While its financial situation still causes us concern, the Institute's academic accomplishments continue to shed lustre upon itself and upon the University of St. Michael's College.

Finally, it gives me great pleasure to thank all those members of the Collegium, the Senate, the Councils of our three divisions, our teaching, research and support staffs, our student-body and our alumni who have worked so hard for the welfare of St. Michael's. By their efforts they have enhanced the *esprit de corps* for which we have long been noted, and which constitutes one of our chief assests.

Peter J.M. Swan, C.S.B.

Robert Lonsdale

L. to R. Her Honour the Lieutenant-Governor, President Ham, Mr. McGibbon, Mrs. A.B.B. Moore, Principal Lynch and President Swan, September 29, 1978.

THE UNIVERSITY

Presidential Installation

Archbishop (now Cardinal) Carter, our Chancellor, formally installed Father Peter J.M. Swan, C.S.B., Ph.D., as President and Vice-Chancellor during an academic Mass in St. Basil's Church on Michaelmas Day, 1978. President Swan spoke on: "The Judeao-Christian Tradition and Higher Education." Her Honour the Lieutenant-Governor of Ontario and Mr. McGibbon, His Eminence George Cardinal Flahiff, Archbishop of Winnipeg, and Dr. Conrad Swan, York Herald, headed a group of distinguished visitors including heads and delegates from 31 universities and colleges in Canada and the U.S.A. Among those who brought greetings were: President Begg, University of Saskatchewan (on behalf of AUCC); President French, Victoria University; President Ham, University of Toronto; Professor D.J. Dooley, staff; Carol Hodson, alumni; and Cathy Massel, students.

The Collegium

The University of St. Michael's College Act, 1958, established a Collegium (governing body) of 10 voting members: 7 senior officials and 3 others chosen by the former, customarily academic staff. This membership cannot be changed or enlarged without an amendment to the Act by the Ontario Legislature. The St. Michael's community has discussed possible changes for some years without reaching consensus. The Collegium, therefore, decided in 1979-80 to add the following assessor members on an experimental basis: Mary (Mrs. Pat) Brown and Joan (Mrs. Richard) Johnston (alumnae), John Kloppenborg and Matthew Holland (students), Dr. E.J. Monahan, an alumnus and now Director, Ontario Council of Universities, and John N. Turner, P.C., Q.C. These members participate in discussions and offer valuable advice.

The Senate

In special meetings in April, 1979, the Senate adopted a revised set of Statutes drawn up by a committee chaired by Dr. Roger Reynolds, Senior Fellow, P.I.M.S. These Statutes clarified the relationship between the Senate and academic councils, and also revised the number and function of its own committees. The Senate meets regularly twice a year to authorise degrees in course and honorary degrees in theology, to consider require-

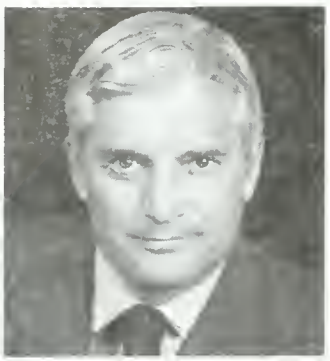
ments for degrees, to supervise the scholarship and awards program, to receive reports from Councils, and to deal with all matters relating to the academic welfare of U.S.M.C.

The John M. Kelly Library

On October 15, 1978, during the Fall Alumni Reunion, President Swan officially named our library the John M. Kelly Library, in honour of his predecessor who is now Director of Alumni Affairs and Development.

To offset in part the erosion of the book budget due to inflation, staff, students and friends during 1979-80 raised about $13,000 through an Adopt-A-Book campaign. As of April 30, 1980 our holdings totalled 220,222.

In November 1979 the Joint Library Committee commissioned a study of our Library by Father Robert Maloy, Director of Libraries, Smithsonian Institute, Washington, D.C., and Mr. Roy Hayns, an alumnus and an audit manager of Price, Waterhouse Limited. They recommended some administrative changes, but also commented favourably on many aspects of the Library including the "excellent esprit and elan" of its staff and the strong financial support given it through our budget.



Mr. John N. Turner, P.C., Q.C., member of the Collegium, 1980-83.

Visitors

Recent visitors include Reverend Dr. Mierztslaw Krapiec, Rector, Catholic University of Lublin, Poland, in whose honour we gave a reception on April 19, 1979, and who graciously donated to our library a copy of his recent work "Metafizyka"; and Andrzej Paluchowski, Librarian of the same university, who visited us on April 28, 1980. Both of these visits were made possible by the Friends of the Catholic University in Poland, Inc., Ottawa, whose assistance in maintaining contacts with academics behind the Iron Curtain is deeply appreciated. Another recent visitor was Dr. Ian Rae, Keeper of Manuscripts, National Library of Scotland, Edinburgh on April 21, 1980.

American Catholic Philosophical Association Meeting

The annual general meeting of the ACPA took place at the Park Plaza Hotel, Toronto, April 20-22, 1979. Father Armand Maurer, C.S.B. (Senior Fellow, P.I.M.S.), President of the organization for 1978-79, gave an address on "Time and the Person." Professor B.F. Brown (S.M.C.), was chairman of the Local Arrangements Committee for the event, which attracted some 350 delegates from Canada and the U.S.A.

THE FACULTY OF THEOLOGY

The Amalgamation of the Institute of Christian Thought and the Faculty of Theology

The Swan Report, 1978, which recommended that, for academic and financial reasons, the Faculty of Theology assume responsibility for the M.A. and Ph.D. programs in theology formerly entrusted to the ICT was adopted by both Senate and Collegium. Hence on May 1, 1979 the ICT, established in 1969, ceased to exist. Its staff became members of the Advanced Degree Division of the Faculty of Theology. At a faculty gathering on April 25 President Swan expressed thanks to Professor John Meagher for his work as Director, 1973-79.

Federation of the Toronto School of Theology and the University of Toronto

On February 15, 1979, a Memorandum of Agreement, federating the TST with the University of Toronto, was signed. Henceforth, the University and TST member-colleges will conjointly award some degrees. Students in programs leading to such degrees will attract full (undergraduate) grants instead of half-grants as heretofore. In our case, M.Div., M.R.E., Th.M. and Th.D. degrees will be conjointly conferred, but M.A. and Ph.D. degrees will continue to be conferred by St. Michael's alone. Students in the latter programs will attract no grants.

Conjoint degrees were conferred for the first time by St. Michael's and the University of Toronto on November 24, 1979. Honorary degrees were also conferred on Father Louis J. Bondy, C.S.B., Superior (and academic head) of St. Michael's from 1946 to 1952 and Professor Emeritus of French; and upon Dr. David W. Hay, Professor Emeritus of Systematic Theology, Knox College, a former Moderator of the Presbyterian Church in Canada, and one of the founders of TST. Dr. Hay addressed Convocation on "Our Deepest Difference."

The John M. Kelly Lectureship in Theology

On the occasion of President Kelly's retirement, donations from alumni and friends made possible the establishment of the John M. Kelly Lectureship in Theology, which was inaugurated on March 4, 1980 by Father R.A.F. MacKenzie, S.J., who spoke on "The Relevance of the Old Testament for the 80's."

ST. MICHAEL'S COLLEGE

Special Offerings

Implementing a resolution of Council in 1974, that there be a Christianity and Culture Program with its own Director, the Collegium appointed Dr. Janine Langan to that position as of January 1, 1979. The purpose of this program is to acquaint students with our ethos through the study of the influence of Christianity upon culture through the ages. Two half-courses in Christianity and culture were introduced in 1979-80, and two half-courses in Christianity and symbol will be introduced in 1980-81. Our courses in Celtic culture have been expanded to embrace two full courses in culture and two in language. We are studying the feasibility of inviting visiting Professors from Irish universities to offer additional courses, and seeking further sources of financial support. In order to assist the development of Latin-American studies, the College will sponsor in 1980-81 a half-course on Brazil, with the co-operation of the Departments of Anthropology, Geography, Sociology and Spanish and Portuguese.

Special Events

On March 30, 1979, Professor David Dooley (English) hosted and co-ordinated a conference on "Chesterton and the Uses of Wealth" co-sponsored by the Chesterton Society. Speakers included Christopher Derrick, Russell Kirk and Sheila Watson.

Father Frederick C. Copleston, S.J., noted historian of philosophy, visited us from April 2 to 16, 1979. He delivered a public lecture on April 11 entitled: "The Human Being: Body and Mind. Approaches in different philosophical traditions."

Between October 9 and 18, 1979, the College offered four public lectures on "The Role of the Humanities in University Education," given by Professor James Cameron; Dr. Harley Smyth, Wellesley Hospital; Dr. Mark McGuigan, M.P. for Windsor-Walkerville; and Professor Ezio Cappadocia, McMaster University. October 17, 1979, the Christianity and Culture Program offered a public lecture by Patrick E. Haggerty, Honorary

Chairman and General Director, Texas Instruments Inc. on "Corporate Leadership and the Ethic of Responsibility."

In line with our policy of making the College more of a home for various ethnic groups, we continue to co-sponsor a number of cultural and social events, e.g., with the University of Toronto Italian Club, an Italian Film Festival, October 22-26, 1979, and an Italian Week, January 21-25; with the University of Toronto Ukrainian Students' Club, a Ukrainian Week, February 11-15; with the Department of Spanish and Portuguese, a conference on "Camoes and His Times," April 11-12; and with Professor G. Bisztry, Chair of Hungarian Studies, a conference of the American Association of Hungarian Educators, May 15-17, 1980.

Together with the Catholic Doctors' Guild of Toronto, we co-sponsored a conference on "Ethical and legal aspects of perinatal medicine," with financial support from the Knights of Malta, November 17, 1979. Participants included Dr. Myre Sim, Royal Ottawa Hospital; Professor John M. Boyle, College of St. Thomas, St. Paul, Minnesota; Professor Charles Rice, Notre Dame University; and Professors Barry F. Brown and A.E. Wingell, St. Michael's College.

On January 24, 1980, Father Charles Principe, C.S.B., received the 1978 Sainte-Marie Prize from the Hon. Reuben Baetz, Ontario Minister of Culture and Recreation. This prize is one of Canada's most prestigious scholastic awards; its objective is to foster greater understanding of Ontario's roots by encouraging research on 17th century New France. Father Principe's submission was "Les Portraits du Sauvage dans les 'Relations de la Nouvelle-France' écrites pas le Père Paul Le Jeune de 1632 a 1642," which will be published in book form. The award includes a grant of $1,649.

Father Charles Principe, C.S.B., winner of the 1978 Sainte-Marie Prize.

The Revision of the Undergraduate Curriculum

The Report of the Committee to Review the Undergraduate Program (chaired by Father John M. Kelly) was approved by the Governing Council of the University of Toronto, April 17, 1980. Henceforth Arts and Science students graduating with 3-year degrees must complete a major; and those graduating with 4-year degrees must complete a specialization, or a combined specialization, or a double major. Students may complete a 3-course minor. The Kelly Report reintroduces structure into a curriculum, largely permissive since 1969, and so renders academic planning once more possible. This is a significant development for the Faculty of Arts and Science and its colleges. Our Council is now considering the academic implications of the Report for St. Michael's.

The Review of the Memorandum of Understanding

The Memorandum of Understanding, which governed the relationship of the University of Toronto and its Arts and Science colleges since 1974, expired July 1, 1979. The Review Committee on December 3, 1979 presented to the Collegiate Board its Final Report, which is now under discussion. Among other things, colleges are striving to achieve complements which will enable them to fulfill the role expected of them; federated colleges are seeking to regain the exercise of the right to appoint staff (held in abeyance under the Memorandum, except for appointments financed by private funding). The viability of the college system depends upon the successful outcome of these discussions.

PONTIFICAL INSTITUTE OF MEDIAEVAL STUDIES

The St. Basil Symposium

The St. Basil Symposium, June 10-16, 1979, which commemorated the 1600th anniversary of the death of St. Basil attracted 180 scholars from 13 countries. Participants included Cardinal Willibrands, Utrecht, Papal representative; M.V. Anastos, U. of Los Angeles; K.G. Bonis, Academy of Athens; Reverend Jean Gribomont, O.S.B., Abbey of S. Jirolamo, Rome; J. Karyannopulos, U. of Salonika; G.L. Kustas, New York State U., Buffalo; J. Pelikan, Yale U.; J.M. Rist, U. of Toronto; A.M. Ritter, U. of Marburg; S.Y. Rudberg, Lund U.; T. Spidlik, Pontifical Institute of Oriental Studies, Rome; R. Staats, U. of Heidelberg; and P.J. Fedwick, Executive Secretary of the Symposium. The Proceedings will be published.

Father Raftis becomes new President

On July 1, 1979, Father J. Ambrose Raftis, C.S.B., D. es Sc.Soc., Ph.D., F.R.S.C., Senior Fellow, succeeded Father Edward A. Synan, (President since 1973) as President of the Institute for a six-year term. Named a Prelate of Honour by the Holy Father, Monsignor Synan continues as a Senior Fellow, and as a professor of philosophy in St. Michael's College. His academic attainments have been recognized by his election as a Fellow of the Royal Society of Canada in 1980.

Father Ambrose Raftis, C.S.B., President, Pontifical Institute of Mediaeval Studies, 1979-85.

Golden Jubilee

The Institute celebrated the 50th anniversary of its foundation with a Convocation, October 20, 1979, and awarded honorary degrees for the first time. Recipients were: Mlle. Marie-Thérèse d'Alverny, Honorary Director of Research, Centre Nationale de la Recherche Scientifique, Paris; Gerhart Ladner, Professor Emeritus of Mediaeval History, University of California at Los Angeles; Reverend J. Reginald O'Donnell, C.S.B., F.R.S.C., Fellow Emeritus; and Bertie Wilkinson, Professor Emeritus of Mediaeval History, University of Toronto. Dr. Ladner addressed Convocation on the topic: "The future of mediaeval studies."

Michaelmas Conferences

The annual, invitational Michaelmas Conferences attracted about 75 business and professional men each June. The theme for 1979 was "The Modern Papacy" and for 1980 was "The Priesthood." Participants included: Cardinal Carter, our Chancellor; T.O. Enders, Ambassador of the United States to Canada; R.M.H. Alway, Warden of Hart House; D. Mothersill, R. O'Malley, John N. Turner; and members of the staff.

Enrolment

		1978-79		1979-80	
Arts, Commerce, Science:					
	Full-time	2053		2223	
	Part-time	303		341	
			2356		2564
Theology:	Full-time	190		199	
	Part-time	181		208	
			371		407
GRAND TOTALS			2727		2971

N.B. Students in Mediaeval Studies register in the Centre for Mediaeval Studies, University of Toronto.

Statement of Income and Expenses

	1979/80 Budget	1978/79 Actual
Operating Income		
Formula grants	$2,066,000	$1,937,000
Student academic fees	2,138,000	1,843,000
Scholarships, bursaries, grants	254,000	193,000
Varsity Fund donations	120,000	120,000
Ancillary enterprises	1,249,000	1,153,000
Investment & sundry income	190,000	203,000
	6,017,000	5,449,000
Operating Expenses		
Academic	3,985,000	3,692,000
Scholarships, bursaries, grants	254,000	193,000
Administration	578,000	492,000
Plant maintenance	469,000	450,000
Ancillary enterprise	1,217,000	1,152,000
Miscellaneous	93,000	69,000
	6,596,000	6,048,000
Deficit	$ 579,000	$ 599,000
*Donations and contributed services of religious and clerical members of our staff to eliminate deficit	$ 579,000	$ 599,000

*We anticipate these donations may drop by one-third by mid-decade, and thereafter at a slower rate. Hence we are endeavouring to provide alternative income, and so invite donations and bequests for this purpose.

Staff Changes

SPRING REUNION

JUNE 6-7-8

1980

HONOURED YEARS:

1920, 1930, 1940, 1955

Barbara (Black) Carlton, '55, Pat (Slattery) O'Driscoll, '55 and Mr. Justice John O'Driscoll, '51.

Top row: Bill McKenna, '55, Greg Byrne, '54, Wright Dillon, '55. Seated: Oliver Babirad, '55, Ted Carlton, '55, Paul Quilty, '55, Terry Wheeler, '55.

The Undefended Border

Many of our American alumni are perhaps unaware that students who have completed Grade 12 in the United States may now enter directly into the first year of the Faculty of Arts and Science of the University of Toronto. Until 1971-72, because the province of Ontario has a five-year high-school system, students who had attended high school in the United States were required to take a preliminary year before entering first year at the University of Toronto. Alumni will recall, perhaps with some nostalgia, the special program known as the Freshman Year or "Western Year" which was conducted by St. Michael's College for many decades and which served as the preliminary year in question. For various reasons this special year was discontinued in 1972.

In 1978 the Faculty of Arts and Science of the University of Toronto decided to facilitate admission for American students with good academic standing. A significant change was accordingly made in entrance requirements. As a result American students may now enter directly from Grade 12 into the first year of the Faculty of Arts and Science of the University of Toronto (and first year at St. Michael's College), if they obtain an average score of 600 on three Achievement Tests in any subjects and on the two Scholastic Aptitude Tests (SATS: verbal and math); that is, applicants must obtain a total score of 3,000 on the five tests. These tests may be taken in the third year of high school, and if it is necessary to raise some of the scores, the tests may be repeated in the Fall and Spring of fourth year. The five best individual scores may be counted to obtain the 3,000 total.

One great advantage of this arrangement is that if a student has the required 600 average by the end of the Fall of fourth-year high school, he/she may apply in December or January of fourth year and be admitted by April.

The total academic fees for non-Canadians in 1980-81 come to $1,823; residence fees with full board total $2,135. Since at present the American dollar is worth about $1.15 Canadian, $4,000 in Canadian fees amounts to about $3,400 in American funds. The fees at the University of Toronto and St. Michael's College thus compare quite favourably with those charged by American universities.

The traditional good spirit, in particular the spirit of Christian community, still exists at St. Michael's, and we are confident the University of Toronto has retained its academic excellence. We hope that the recent change in admission requirements will make it possible for many of the sons and daughters of our American alumni to attend St. Michael's. For further information interested students may contact the Registrar of St. Michael's College, Father Richard Donovan, C.S.B. He will be very happy to answer any questions. RBD

Chancellor Philip Pocock Scholarship

Archbishop Pocock was the Chancellor of the University of St. Michael's College for 17 years, 1961-1978. On June 14th last, he celebrated his golden jubilee as a priest. It has been an established practice of his to come to St. Michael's on the 14th of June in each year to celebrate not only the anniversary of his ordination but also St. Basil's Day with the Basilian Fathers. Though the feast of St. Basil has been transferred to January, the Toronto Basilians all gather at St. Michael's on June 14th and Archbishop Pocock still comes on that day. This year, as a tribute to him personally and also to commemorate his long tenure as Chancellor, a sum of $10,000 was funded to support a scholarship in the College which will bear his name. It will be awarded annually to a student who has excelled in Christian Studies. We felicitate our former Chancellor. *Ad multos annos.* JMK

Bravo

GREGORY BYRNE, 5T4, in addition to family, teaching and departmental chairmanship responsibilities, finds he has time on his hands. For ten years, he has been involved in theatre, appearing in more than two dozen productions in the Rochester, N.Y., area. His latest was in the Rochester Community Players production of *The Last Meeting of the Knights of the White Magnolia.*

CHRISTOPHER W. McDONNELL, 6T4, has recently been appointed Vice-President and Senior Controller for Cadillac Fairview Corporation Ltd.

THOMAS A. DI GIACOMO, 6T4, has been appointed by ManuLife as Senior Vice-President, Investments. Mr. Di Giacomo has responsibility for ManuLife's world-wide investment operations.

PAUL A. YOCOM, APR, 6T5, has been appointed Manager, Public Relations of Mohawk Oil Company, Ltd., Calgary.

Father JOHN M. KELLY, CSB, 3T2, has been asked to accept a citation from the School of Continuing Studies, University of Toronto, for exceptional commitment and achievement within university continuing education. Recipients of the citation are to be individuals whose personal commitment and achievement are visibly outstanding in relation to the goals and ideals of university continuing education. Father Kelly will be presented with the citation at a reception to be held on September 25, 1980.

KIERAN MAHAN, 7T4, has been awarded the degree of Doctor of Podiatric Medicine (D.P.M.) from the Pennsylvania College of Podiatric Medicine, Philadelphia. After residency at Doctors Hospital in Tucker, Georgia, Dr. Mahan intends to practice in Stamford, Connecticut.

DONALD J. SCHMALZ, 5T1, has been named President of PFW Canada, responsible for the entire Canadian operation, flavour, fragrance and food systems.

(The Alumni Office welcomes information from Alumni for inclusion in the BRAVO column.)
